

Dear Coach [insert name],

My name is [insert name] and I play for [insert Club and Team Name/Age Group - example City SC San Diego G07 DPL] as a [insert position]. I am a [year in school] at [Full name of your high school] in [City, State]. My current GPA is [insert GPA] and I plan on keeping a 4.0 or above all four years of high school. Academics are extremely important to me.

I have done lots of research and [name of school] as a school and soccer program that meets every one of my college search criteria. [name of school] fits my ideal school profile, *has strong academics, is a small private school with a phenomenal soccer program as well as is in the SEC and that for me is super important.* I love everything about what I have read and heard about your school and program! I pride myself on working hard, my coachability and being a great teammate. I hope to one day, be that player/teammate for your program.

I am planning to visit on [date] on my way home from the DPL Winter Showcase in Florida. I know you cannot host me but I wanted to let you know about my visit. Hopefully, you can come watch me play in Florida. I will send you my schedule when I get it.

If you are coming to [name of showcase], please come watch me play. I am #[jersey number] [example - up top].
