## ROME 2025

# Heads for travel, **hearts for soccer**

Right from the kick off, it's been about the soccer. It's in our blood. We're a passionate team of top-level soccer coaches and players dedicated to sharing our love of the beautiful game with players of every age, from every corner of the earth.

We work at the very highest level (English Premier League and national teams) and have 20 years experience in delivering international soccer travel. So, when it comes to our tours, we take a completely tailored approach, creating incredible itineraries based on your specific goals.

We take teams on unforgettable journeys, traveling to amazing cities and iconic stadiums, meeting heroes and making friends. Our unrivaled on-the-ground knowledge means we can partner you with professional and national clubs for demanding training sessions, challenging games and inspiring behind-the-scenes tours.

We're soccer people doing tours, not tour people doing soccer. We know the game and we know what it's like to be a player, a fan, a coach and a manager.

ROMA

Rome was called the “Eternal City” by the ancient Romans because they believed that no matter what happened in the rest of the world, the city of Rome would always remain standing.

Exploring the city center by foot surrounded by glorious monuments and colossal remains takes you back in time to the “glory that was Rome”

# International Games

MGR Sports Tours have vast experience in providing an environment that provides challenging experiences for elite level teams.

We know the level of the DPL teams and what opposition is required to ensure good competition. We will work with the many high level teams across Europe to arrange international games for all DPL Perform age groups.

# ELITE COMPETITION

## Colosseum **Tour**

---

The Colosseum is the main symbol of Rome. It's an imposing construction that, with almost 2,000 years of history, will bring you back in time to discover the way of life in the Roman Empire.

You will visit this amazing structure and get to experience one of the seven wonders of the modern world.

## Roman **Forum**

---

The Roman Forum was where religious and public life in ancient Rome took place. The Forum is, along with the Colosseum, the greatest sign of the splendor of the Roman Empire that can be seen today.

After the fall of the Empire, the Roman Forum was forgotten and little by little it was buried under the earth. Although in the 16th century, the existence and location of the Forum were already known, it was not until the 20th century that excavations were carried out.

## Vatican **City**

---

The State of Vatican City, in the centre of Rome, is the smallest state in Europe, both in population and expanse. It's one of the main tourist sites of interest in the whole of Rome.

Ruled by the Pope (Bishop of Rome). It is the centre of authority over the Roman Catholic Church. The Vatican is the smallest state in Europe. It has a total area of 0,44 km<sup>2</sup> and inside its wall live approximately 1000 people.

## Stadio Olimpico

---

The Stadio Olimpico tour offers a unique chance to explore its rich history and iconic features. Visitors can walk through the team dressing rooms, players' tunnel, and onto the pitch, while also visiting the press room, VIP areas, and trophy hall.

The tour highlights the stadium's significance as the home of AS Roma and Lazio and its role in major sports events, providing an up-close look at its impressive architecture and history.

## Trevi Fountain

---

Trevi Fountain is the most beautiful fountain in Rome. Measuring some 20 meters in width by 26 meters in height, Trevi Fountain is also the largest fountain in the city.

Whether under daylight or warmly lit up at night, the fountain is never lonely.

## Villa Borghese

---

This amazing park is one of the biggest urban parks in Europe and is a must visit when in Rome.

If you want to tour the Villa Borghese, you can do so at your own pace or it is possible to rent rollerblades, bicycles and segways

# Professional Training

As part of the players experience on the pitch, each team will train daily with the DPL coaching staff to prepare them for their games against elite opposition.

Each team will train at a high level facility as they are put through their paces in enjoyable training sessions.

Players will train each day with more sessions available on request by the team coach if required.

# Watch Live Soccer

Serie A has long been a league that has produced some of the world top footballers and boasts some of the most passionate fans in the world!

Once the schedules are fully confirmed, we will aim to confirm a live game which fits into the tour schedule. Please note, matches are subject to date changes and the actual date is not confirmed until much nearer the time.

Please be aware that we cannot confirm live games until nearer the time. Games are also subject to group ticket allocations, availability of tickets and last minute rescheduling..
